

LETTER OF AGREEMENT

February 2010

Dear Parents and Guardians,

We hope that your child is looking forward to attending Saint Ignatius College Prep as a member of the Class of 2014. This "Letter of Agreement" and the accompanying "Tuition Information" sheet should give you the information you need regarding your financial arrangements with Saint Ignatius College Prep.

The **projected tuition cost** for the school year 2010-2011 is \$12,980.00. A \$500 non-refundable online enrollment deposit must accompany your online registration.

Due to the increased cost charged for credit card payments, Saint Ignatius College Prep prefers that all tuition be paid by cash, check, money order or cashiers check.

We need to know at this time whether your child will attend Saint Ignatius next year. Many students request admission as freshmen or as transfer students and we want to accommodate as many as possible. In addition, contractual commitments to teachers are based on full enrollment. **Therefore, once you have registered your child, if you withdraw for any reason after July 1, 2010, we will hold you responsible for the first quarter of tuition, \$3,120.00.** By completing the online enrollment process, you are agreeing specifically to this.

Subsequently, you will owe a quarter of tuition, \$3,120.00, when your son/daughter begins each quarter, October 2010, January 2011 and March 2011, regardless of the payment schedule selected.

We assume your permission to publish your child's picture in our publications and your permission to take your son/daughter to sports activities and other regular events. If you want to restrict this permission in any way, you must write the Dean of Students.

By completing your online registration you are agreeing to all of the tuition policies as stated.

Welcome to the Class of 2014!

Thank you,

Gregory C. Gleason
Vice President of Finance
